MEMORANDUM FOR: Director of Operations

ATTENTION:

25X1A

SUBJECT: Materials to be Reproduced at EK
for Benefit of the Navy

1. It is my understanding that duplicate negatives have been provided to the Navy of the [REDACTED]. I have received a request from the Navy that in the future they would appreciate receiving duplicate positives instead of duplicate negatives. Please inform me if this involves any particular problems in which I can help.

2. In so far as Middle East missions are run in the future, the Navy is satisfied to be able to procure selected prints as has been past experience.

3. In addition, I have received a request from them for a duplicate positive of tracker film. Inasmuch as they have to date received neither duplicate positive nor duplicate negative on this type of product for the [REDACTED] would you please make available to them a duplicate positive of such missions when feasible.
